

Mission

Beaver River Central School serves as center for education in dynamic partnership with students, staff, parents, and community to provide each student the opportunity to achieve maximum potential in all areas of life and learning now and in the future.

Vision

Student Centered

District Centered

Provide diverse opportunities for all learners to become high achievers by focusing on their individual needs

Provides multiple and diverse opportunities for College and Career Readiness by guiding students through real life experiences and connecting each learner's abilities with possible career and college pathways.

Is the center of the community for staff, parents, students, alumni and community members.

Prepares for the future by being adaptable to the changing world in all areas including finance, structure, operations, and programs

Goals

STEM courses will be offered to all 8th grade students by 2015-16
